Theme: Recognizing salvation

Sub-theme: Pursuing eternal salvation

Message:

Dedicating ourselves to Christ and following Him leads to eternal salvation.

Bible verse: Mark 8: 36-37

For what will it profit a man if he gains the whole world, and loses his own soul? Or what will a man give in exchange for his soul?

Summary

Ever since God told mankind to subdue the earth, His words have been interpreted variously. God Himself reveals Himself in the creation.

- The important thing is not the pursuit of treasures in the visible world, but the striving for eternal fellowship with God.
- True godliness strives for the truth, grace, and knowledge of God.
