Sub-theme:

Message:

As we follow Christ, we will encounter need and affliction. Nevertheless, our believing trust in the Lord will ensure that we do not fail.

Bible verse: Matthew 14: 32

And when they got into the boat, the wind ceased.

Summary

We trust in God even if we have to wait a rather long time for His help and intervention, and even if His omnipotence transcends our imagination.

The Lord

- keeps His eye on us at all times.
- knows all about our internal conflicts and contradictions.
- does not allow us to perish.
