

# Making God our priority

Divine Service  
Midweek, August 14/15, 2019

**Theme:** Bible Study—The golden calf

**Sub-theme:**

**Message:**

**Let us worship only the living God.**

**Bible verse:** Exodus 32: 8

*They have turned aside quickly out of the way which I commanded them. They have made themselves a moulded calf, and worshipped it, and sacrificed to it, and said, "This is your god, O Israel, that brought you out of the land of Egypt!"*

*Bible reading: Exodus 32: 1–6*

## Summary

The commandment to worship only God implies that we must not allow any idols to come into being. Today these might take the form of the following, for example:

- dominance of our own ideas,
- esteem and honour, and
- earthly wealth.

Let us therefore always make God our first priority.
