Theme: The community of all believers – Faith and hope

Sub-theme:

Message:

We anticipate the return of Christ and are diligently preparing for it.

Bible verse: Hebrews 6: 11–12

And we desire that each one of you show the same diligence to the full assurance of hope until the end, that you do not become sluggish, but imitate those who through faith and patience inherit the promises.

Summary

Jesus Christ has promised to be with His Apostles to the end of the age, to liberate us from the evil one, and to return in order to take us unto Himself.

We remain firm in our hope by persisting in our battle against sin, seeking fellowship with God, and supporting the apostolate.
