

The wisdom of God

Divine Service

Wednesday, June 1, 2022

Message:

God grants human beings wisdom and shows them how to lead a God-pleasing life.

Bible text: Proverbs 8: 22–23

The Lord possessed me at the beginning of His way, before His works of old. I have been established from everlasting, from the beginning, before there was ever an earth.

Summary

- Wisdom wants to help human beings lead a God-fearing life.
- Jesus Christ is wisdom because He proclaims the will of God.
- Those who recognize that they do not act wisely can ask God for wisdom.
