

# Living in the light

Divine Service

Wednesday, February 1, 2023

## Message:

The promise of God lights up our lives.

## Bible text: 2 Peter 1: 19

*And so we have the prophetic word confirmed, which you do well to heed as a light that shines in a dark place, until the day dawns and the morning star rises in your hearts.*

## Summary:

- Darkness symbolizes the estrangement from God, which was caused by the fall into sin.
- The prophetic word, the Bible, is a light that shines for us, for it points to salvation and the will of God.
- Jesus Christ is the light. He gives us hope and knowledge, and instructs us in the right way to act.
