Divine Service

Message:

God is “writing” the book of salvation history and the book of our lives.

Bible text: Psalm 139: 16

Your eyes saw my substance, being yet unformed. And in Your book they all were written, the days fashioned for me, when as yet there were none of them.

Summary:

- God is omniscient and omnipresent.
- He is Lord of time, determining its beginning and end.
- Nothing can prevent Him from completing the plan of redemption.
- When He returns, Jesus Christ will assess whether we are worthy to enter His kingdom.
- God is a fair judge of our motives and actions.
