

# Christ's path of suffering

Divine Service

Wednesday, March 2, 2022

## Message:

Jesus does not allow anything to prevent Him from pursuing His path.

## Bible text: Luke 9: 51

*Now it came to pass, when the time had come for Him to be received up, that He steadfastly set His face to go to Jerusalem.*

## Summary

- Jesus' way to Jerusalem was a path to suffering, to the cross, and to resurrection and ascension.
- The death of Jesus in Jerusalem is a necessity for salvation history.
- Let us too pursue our path to perfection with the help of God.
- Today, and especially in the future, the bridal congregation has a task to fulfil within the plan of salvation.
