Divine Service

Wednesday, March 16, 2022

Message:

The Holy Spirit makes us strong in Christ.

Bible text: Ephesians 3: 16

...that He [God] would grant you, according to the riches of His glory, to be strengthened, with might through His Spirit in the inner man.

Summary

The Holy Spirit allows us to remain faithful to Christ when we

- share in the power of Jesus, His trust in the Father, and His strength.
- grow in wisdom, occupy ourselves with Holy Scripture, and allow ourselves to be led by the Holy Spirit in the process.
