

Holding fast to our faith and certainty

Divine Service

Wednesday, April 27, 2022

Message:

Christ delivers those who remain steadfast in faith.

Bible text: Hebrews 3: 14

For we have become partakers of Christ if we hold the beginning of our confidence steadfast to the end.

Summary

- We maintain our certainty in order to be able to enter into the kingdom of God.
- Let us keep our faith in the triune God, the gospel, the church, the apostolate, the sacraments, and the imminent return of Jesus Christ.
- We must remain steadfast in faith in order to be partakers of Christ.
