Theme:

Questions God asks us

Message:

We love our fellow human beings and are there for them.

Bible text: Genesis 4: 9

Then the Lord said to Cain, "Where is Abel your brother?" He said, "I do not know. Am I my brother's keeper?"

Summary:

- Jesus teaches us to reach out to our fellow human beings, be there for them, and love them.
- Jesus identifies with the poor. Our love for Him is reflected in our love for our neighbour.
- Let us shape our congregational life in a loving and caring way and look after each other.
