

Renewal in the Spirit

Divine Service
Wednesday, July 20, 2022

Message:

Jesus Christ continually strengthens and renews our inner being.

Bible text: 2 Corinthians 4: 16

Therefore we do not lose heart. Even though our outward man is perishing, yet the inward man is being renewed day by day.

Summary:

- God strengthens those who suffer, who are persecuted, and who are afflicted for the sake of the gospel.
- Christ strengthens our inner being through word, sacrament, and fellowship in prayer.
- Although all human beings, together with their bodies and their possessions, are destined to waste away, their inward being will not waste away because it is strengthened and renewed by Jesus Christ.
