

Recognizing the greatness of God

Divine Service
Sunday, October 2, 2022

Theme:

Thanksgiving Day

Message:

We praise the majesty of God.

Bible text: Psalm 145: 2–3

Every day I will bless You, and I will praise Your name forever and ever. Great is the Lord, and greatly to be praised; and His greatness is unsearchable.

Summary:

- We thank God because we believe in His greatness, glory, love, and grace.
- God's creation is marvellous. He created humankind in His image and entrusted the earth to the first human beings.
- God sees much further than we do and is the source of salvation for both the living and the dead.
- Knowing that God is great has implications: we trust in His word, His will, and His love.
