Message:

Offering is an expression of gratitude.

Bible text: Genesis 4: 3

And in the process of time it came to pass that Cain brought an offering of the fruit of the ground to the Lord.

Summary:

- Offering is an expression of our gratitude to God.
- Salvation can only be obtained through the sacrifice of Jesus Christ. Our offerings and sacrifices cannot contribute to salvation.
- With our monetary offerings we help the Church to spread the gospel.
