

# Deliverance of the creation

Divine Service  
Sunday, October 23, 2022

## Theme:

The creation

## Message:

The creation suffers, but it will be delivered by God.

## Bible text: Romans 8: 19–21

*For the earnest expectation of the creation eagerly waits for the revealing of the sons of God. For the creation was subjected to futility, not willingly, but because of Him who subjected it in hope; because the creation itself also will be delivered from the bondage of corruption into the glorious liberty of the children of God.*

## Summary:

- Originally, God's creation was good. But it was damaged by humankind's fall into sin.
- The new creation is free from the bondage of corruption and participates in the glory of God.
- Until this promise is fulfilled, let us respect and preserve all that God has created.
