

My help comes from the Lord

Divine Service
Sunday, November 6, 2022

Theme:

Divine service for the departed

Message:

We look up to Jesus, our Saviour.

Bible text: Psalm 121: 1–2

I will lift up my eyes to the hills—from whence comes my help? My help comes from the Lord, who made heaven and earth.

Summary:

- Both the living and the dead ask the question: “Where can I find help?”
- God wants to lead both the living and the dead into His glory, that is, into eternal fellowship with Him.
- Whoever believes in Christ, hears His word, and receives the sacraments, can be freed from the grip of evil and attain eternal life.
