

God loves a cheerful giver

Divine Service
Wednesday, March 1, 2023

Message:

That which we give to others is a sign of gratitude.

Bible text: 2 Corinthians 9: 7

So let each one give as he purposes in his heart, not grudgingly or of necessity; for God loves a cheerful giver.

Summary:

- The church in Corinth was encouraged to donate money freely and without feeling compelled or obligated.
- We can be cheerful givers when we bring our offerings joyfully and with gratitude, when we help and donate to the poor, or assist our neighbour in word and deed.
- We also act as cheerful givers when we desire salvation for others whom we may not even know, instead of only focusing on our own salvation.
