Message:

We help those in need without delay.

Bible text: Luke 13: 12–13

But when Jesus saw her, He called her to Him and said to her, “Woman, you are loosed from your infirmity.” And He laid His hands on her, and immediately she was made straight, and glorified God.

Summary:

- Jesus turned to a person on the fringes of society, someone who would usually have gone unnoticed.
- Jesus immediately helps people in need of help and does not delay His aid.
- We should follow His example.
- Those who show love and kindness to their neighbour and help without delay are followers of Jesus.
