

Darkness into light

Divine Service
Wednesday, November 8, 2023

Message:

Leave the darkness and walk in the light of Christ.

Bible text: John 12: 35

Then Jesus said to them, "A little while longer the light is with you. Walk while you have the light, lest darkness overtake you; he who walks in darkness does not know where he is going."

Summary:

- Christ is the light that illuminates the darkness.
- Darkness makes us stumble, makes us lonely, confuses us, and exposes us to evil.
- The light of Christ brings direction, His presence, wisdom, goodness, grace, and growth.
