Theme:

Experiencing the nearness of Christ

Message:

We are grateful for the Lord's promise and experience His nearness.

Bible text: Matthew 28: 20

"Lo, I am with you always, even to the end of the age."

Summary:

- God's nearness and support can already be experienced in the Old Testament.
- The risen Lord promises His disciples that He will always be with them.
- Jesus' promise also applies to today's Apostles who proclaim the gospel and encourage obedience to Him.
- We can trust that this promise applies to all believers—right up to the new creation.
