

# The Suffering Servant of God

Divine Service  
Sunday, March 10, 2024

## Theme:

Lent

## Message:

Following Christ means suffering with Christ.

## Bible text: Isaiah 53: 4

*Surely He has borne our griefs and carried our sorrows; yet we esteemed Him stricken, smitten by God, and afflicted.*

## Summary:

- In Christian tradition, the Suffering Servant of God refers to Jesus.
- On top of His physical pain, Jesus is despised, disregarded, and rejected because of His teaching.
- Let us take Jesus as an example and not stop when such suffering arises, but rather continue on the path of salvation.
