Divine Service  
Wednesday, September 17, 2025

## Message:

We are called to be a community of peace and healing.

## Bible text: Isaiah 57: 19

*“Peace, peace to him who is far off and to him who is near,” says the Lord. “And I will heal him.”*

## Summary:

- There is a lot of injustice and selfishness today.
- We are called upon to stand up for what we know is right.
- We cultivate peace by seeking sanctification and promoting and affirming each other’s gifts.
- Jesus Christ is the source of peace and healing.
