

God's help and protection through angels

Divine Service

Wednesday, October 1, 2025

Message:

God's love is also manifested in the service that angels render upon human beings.

Bible text: Daniel 12: 1

At that time Michael shall stand up, the great prince who stands watch over the sons of your people.

Summary:

- Angels are servants and messengers of God, created by God to help carry out His plan of salvation.
- They act on behalf of, and in accordance with, God's will.
- Angels can strengthen us, enabling us to experience God, whether after overcoming a temptation or during a period of suffering.
