

The joy of the bridal congregation

Divine Service

Wednesday, November 12, 2025

Message:

Those who are called to the bridal congregation can be filled with joy.

Bible text: Revelation 19: 7

Let us be glad and rejoice and give Him glory, for the marriage of the Lamb has come, and His wife has made herself ready.

Summary:

- May we be filled with the joy of being called to the bridal congregation and the marriage of the Lamb!
- The preparation of the bridal congregation, with which the Apostles are charged, is accomplished through the preaching of the gospel and the dispensation of the sacraments. For their part, believers must accept God's word and the sacraments.
- The prospect of everlasting fellowship with Jesus Christ provides positive inspiration for our lives here and now.
