

# Without respect of person

Divine Service  
Wednesday, November 26, 2025

## Message:

Everyone can be called to serve God.

## Bible text: Romans 2: 11

*For there is no partiality with God.*

## Summary:

- God calls and judges independently of background, merit, or status.
- What matters is faith, a person's inner disposition, and obedience to God's will.
- His grace extends to all, whether poor or rich, living or dead.
- Those who serve God must treat all people equally.
- Our election invites us to follow the will of God.
