Wednesday, December 17, 2025

## Message:

Remaining faithful to God is our true joy.

## Bible text: Psalm 73: 28

*But it is good for me to draw near to God; I have put my trust in the Lord God, that I may declare all Your works.*

## Summary:

- God loves us even when we are weak.
- We entrust both our doubts and our pain to Him.
- We find joy and security when we entrust ourselves to God.
- We tell others about God's works in our own lives.
