

In communion with the Father

Divine Service
Sunday, January 11, 2026

Theme:

Jesus, the Son of God, reveals Himself

Message:

Already as a child, Jesus lived in close union with His Father.

Bible text: Luke 2: 49

Did you not know that I must be about My Father's business?

Summary:

- In the temple, Jesus professes that He is the Son of God.
- Jesus says that He “must” be in His Father’s house. This is an expression of His identity.
- We too are invited to remain in the Father’s house.
- There we find orientation, a home, and the strength to live a life of love in the world.
