Message:

Faith in Jesus Christ banishes fear.

Bible text: John 14: 1

Let not your heart be troubled; you believe in God, believe also in Me.

Summary:

- When troubled, Jesus urges us to believe in God and in Him.
- He reveals a new image of God: one that is characterized by love, nearness, and grace.
- It is not obedience to the law, but trust in God and love applied in concrete ways that lead to salvation.
- Fear, doubt, and evil lose their power when we trust in Christ.
