

# Christ is on our side

Divine Service  
Wednesday, February 18, 2026

## Message:

In trials, we can experience Jesus' nearness and support.

## Bible text: Hebrews 2: 18

*For in that He Himself has suffered, being tempted, He is able to aid those who are tempted.*

## Summary:

- Jesus Christ is truly human, which is why He understands our weaknesses.
- He overcame temptation by surrendering Himself completely to the will of the Father.
- In our trials, He offers us guidance through His word, salvation through the sacraments, and strength through the Holy Spirit.
- Christ, the true God, hears our prayers and stands faithfully by our side as we struggle against sin.
