

Jesus Christ, the Saviour of the world

Divine Service
Sunday, March 1, 2026

Theme:

Divine service for the departed

Message:

Through faith in Jesus Christ, both the living and the dead experience salvation.

Bible text: John 11: 43

Now when He had said these things, He cried with a loud voice, "Lazarus, come forth!"

Summary:

- Jesus' call to "Come forth!" can apply to both the living and the dead.
- Both the living and the dead are called to a life with God.
- They must leave their grave, so to speak, and overcome the bitterness of past injustices.
- They must separate themselves from egoism and self-isolation and move in the direction of Christian fellowship.
