Divine Service

Message:

Jesus Christ gives us security.

Bible text: Isaiah 28: 16

Therefore thus says the Lord God: "Behold, I lay in Zion a stone for a foundation, a tried stone, a precious cornerstone, a sure foundation; whoever believes will not act hastily."

Summary:

- In Christ, we have a solid foundation.
- His word and love are unchanging, His grace is perfectly effective, and His authority is absolute.
- Let us trust Him, love Him, and seek His grace.
