

# Do not let your hands grow weak

Divine Service

Wednesday, July 1, 2026

## Message:

We trust in God.

## Bible text: Zephaniah 3: 16–17

*In that day it shall be said to Jerusalem: “Do not fear; Zion, let not your hands be weak. The Lord your God in your midst, the Mighty One, will save; He will rejoice over you with gladness, He will quiet you with His love, He will rejoice over you with singing.”*

## Summary:

- We will not allow our hands to be weak because God is with us.
- God rejoices over all those who repent.
- When our strength fails, we turn to the Lord, who renews our strength.
