

Strengthening faith

Divine Service

Wednesday, July 22, 2026

Message:

God strengthens our faith so that we can carry on.

Bible text: 1 Kings 19: 7

And the angel of the Lord came back the second time, and touched him, and said, "Arise and eat, because the journey is too great for you."

Summary:

- Elijah's example shows that disappointment and exhaustion can shake the very foundations of our faith.
- God strengthens our faith through His word, Holy Communion, fellowship, and gratitude for the grace we have received.
- Our salvation does not depend on the circumstances we face, but on our decision to do God's will.
- A strengthened faith brings joy and enables us to walk the path with God all the way to the end.
