

Warning against self-righteousness

Divine Service

Wednesday, July 29, 2026

Message:

We do not look down on others.

Bible text: Luke 18: 9

Also He spoke this parable to some who trusted in themselves that they were righteous, and despised others.

Summary:

- The parable is designed to surprise with a repentant tax collector and a self-righteous Pharisee.
- Even we Christians, who consider ourselves to be devout, can be self-righteous.
- We do not look down on people who live their lives or practise their faith differently than we do.
